

Appl. No.: 09/922,064  
Supplemental Amdt. Dated: June 28, 2005

APP 1286

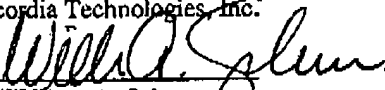

**REMARKS/ARGUMENTS**

Applicants wish to thank the Examiner for the courtesies extended to applicants' representative during a telephone conversation on June 27, 2005. During the conversation, the Examiner indicated a willingness to allow claims 1 and 3-9 as presented in the amendment filed February 15, 2005 provided a few clarifying amendments were made to claims 7, 8 and 9. Accordingly, applicants have amended claims 7 and 9 to clarify the meaning of certain terms in the mapping function, 7. Applicants find support for these amendments in the specification at page 15, line 20 to page 16, line 7 and FIG. 11.

Applicants have also amended claim 8 of the specification so that it now depends from claim 1 rather than canceled claim 2.

Applicants believe that claims 1 and 3-9 as amended are now in condition for allowance and reconsideration of and allowance of such claims is respectfully requested.

Respectfully submitted,  
Telcordia Technologies, Inc.
